

## PROGRAMMA DIDATTICO DIDACTIC PROGRAMME

### CORSO COURSE

MASTER IN NEUROLOGIA PEDIATRICA A.A. 2021/2022  
MASTER DEGREE IN PEDIATRIC NEUROLOGY A.Y. 2021/2022

### PROFESSORI PROFESSORS

CINZIA GALASSO (Direttore, Chair)  
ROMINA MOAVERO (Coordinatore Didattico, Coordinator)  
MASSIMILIANO VALERIANI (Didactics' Responsible)

- 
- Governo Clinico
  - *Clinical Governance*
  
  - Malformazioni del SNC, sindromi neurocutanee
  - *CNS Malformations, Neurocutaneous syndromes*
  
  - Neurologia Neonatale
  - *Neonatal Neurology*
  
  - Malattie metaboliche e neurodegenerative
  - *Metabolic and Neurodegenerative diseases*
  
  - Patologie infettive del SNC
  - *CNS Infectious pathologies*
  
  - Epilessia e Cefalea
  - *Epilepsy and Cephalalgia*
  
  - Emergenze neurologiche
  - *Neurological emergencies*
  
  - Neuroscienze cognitive, disturbi del comportamento e del neurosviluppo
  - *Cognitive neurosciences, behavioral and neurodevelopmental disturbs*
  
  - Tumori del SNC
  - *CNS Tumors*

- Neuropatie ereditarie e infiammatorie, miopatie, e patologie della trasmissione neuromuscolare
- *Hereditary and inflammatory neuropathies, myopathies and pathologies of the neuromuscular transmission*
  
- Lesioni vascolari del SNC
- *CNS vascular injuries*
  
- I disturbi del movimento
- *Movement disorders*
  
- Malattie infiammatorie del SNC e malattie demielinizzanti
- *CNS inflammatory diseases and demyelinating disease*
  
- **Esame finale**
- ***Final exam***
