

PERSONAL INFORMATION

PARISI FRANCESCO

📍 Children's Hospital Bambino Gesù, Piazza Sant' Onofrio, 4 - 00165 Roma

☎ 06 6859 2611.

✉ francesco.parisi@opbg.net

Sex M | Date of birth 17/01/1953 | Nationality Italian

WORK EXPERIENCE

- May 1st 1982 • He has been working at the Department of Pediatric Cardiology and Cardiac Surgery of the Bambino Gesù Pediatric Hospital of Rome.
- 1985 • He has been in charge of the Thoracic Transplant Unit of the Department of Pediatric Cardiology and Cardiac Surgery and since 1998 he has been director of this unit.
- January 2013 • Director of the Functional Unit Transplants and Management Complex Congenital Heart Diseases
- July 2012 • Professor at Resident School of Pediatrics University of Rome Torvergata in transplant Immunology.
- November 18 - December 18 1983 • Thoracic Unit of the Hospital for Sick Children of London, directed by Prof. J. Stark.
- October 15 - November 15 1984 • Department of Cardiac Surgery at Children's Hospital - Harvard Medical School of Boston, directed by Prof. Castaneda.
- November 5 - December 5 1985 • Thoracic and Cardiac Surgical Unit of Harefield Hospital of London, directed by Prof. Yacoub.
- October 5 1987- March 31 1988 • Research on neonatal heart transplantation and on xenotransplantation and clinical experience at the Department of Surgery of Loma Linda University Medical Center (California), in the "Cardiothoracic Division" (directed by Prof. L. Bailey) and in the "Immunology Center" (directed by S. Nehlsen-Cannarella).
- June 22 –29 1990 • Thoracic and Cardiac Surgical Unit at Harefield Hospital of London, directed by Prof. Yacoub.
- July 2 –6 1990 • Department of Anaesthetics and Transplant Unit of Papworth Hospital (Cambridge, England), directed by R. Latimer and J. Wallwork

EDUCATION AND TRAINING

- April 13th 1978 **Degree in Medicine**
University of Rome La Sapienza
- July 15th 1981 **Specialization in Anaesthesiology**
University of Rome La Sapienza
- February 1991 **Authorization as Chief Anesthetist Reanimator** (session of Dec. 1989)

Scientific activity

- May 1986: member of the Scientific Committee which organized the Week Course "A Week with the Experts" about Cardiology, Anesthesia, and Pediatric Cardiac Surgery (Rome, Bambino Gesù Pediatric Hospital).
- January 1989: Scientific Secretary of the Congress "Hypoplastic Left Heart Syndrome: Is It Still An Incorrectable Disease?" (Rome, Bambino Gesù Pediatric Hospital).
- 1992 – 1994: counsellor of the Italian Committee of Bioethics for pediatric transplantation. He contributed to the publication of the document "Trapianti di organi nell'infanzia" (21-1-1994).
- Since 1995: Associated Editor of "Anestesia Cardiotoracica e Circolazione Extracorporea".
- Since 1997 he has been in the Editorial Board of "Pediatric Transplantation" (Ed.: Richard Fine - NY).
- 2000: President of the first IPTA meeting (Venice, August 23-25 2000)
- 2000-2005: Councillor of IPTA (International Pediatric Transplant Association) Board.
- 1999 and 2003: member of the Scientific Program Committee of ISHLT 20th (Osaka, April 5-8 2000) and 24th Annual Meeting (San Francisco, April 22-24 2004).
- 2001-2006: Chairman of the Pediatric Council of the International Society for Heart and Lung Transplantation.
- Coordinator of the Work Group "Pediatric Transplantation" of the Italian National Center for Transplantation (CNT).
- Since 2009 Editorial Board Consultant of The Journal of Heart and Lung Transplantation
- Reviewer of the annual congresses of SICP, ESOT, and ISHLT.

He's author's of more than 60 original articles (indexed International journals) and several book chapters.

Recent Bibliography

Book Chapters

- 1) Shaddy R.E., **Parisi F.** *Pediatric Heart Transplantation*. In HD Allen, DJ Driscoll, RE Shaddy, TF Feltes, Editors *Moss and Adams' Heart Disease in Infants, Children, and Adolescents Including the Fetus and Young Adults. Eighth Edition*. Philadelphia: Lippincott Williams & Wilkins 2013, 1348 – 1400. 9th with the same Authors, in press
- 2) Bernstein D, **Parisi F.** *The pediatric heart donor: evaluation of age, size, cause of death, donor heart function, and vitality*. In *Pediatric Heart Transplantation*. ISHLT Monograph Series, Eds. C. Canter, J Kirklin, Elsevier, 2008.
- 3) **F. Parisi**, Guest Editor. *Current Cardiology Reviews: Heart Transplantation in Congenital heart disease*. Volume 7, Number 2, May 2011
